

Prescription Refill Policy

It is important to keep an eye on your pet's medications. Doing so will keep your pet safe and healthy. Please assist us by planning ahead for all of your medication refill needs.

Requests should be made Monday through Friday, 8:30 a.m. – 4 p.m.

Request can be made by calling the office @ 520-749-1446.

*Requests made on Friday will be filled by the following Monday

ALL refill requests require at least 24-48 hour notice. This is to allow for doctor review, chart checks, and processing. This applies to medications filled by Reata Veterinary Hospital, as well as those called into a pharmacy.

Additionally, if we have not seen your pet within the last 6 months you may need to schedule an appointment with one of our veterinarians prior to refilling the medication.

Thank you!
